Dear Doctor,

Greetings,

Please join us on Wednesday, January 18th 2012 when Dr. Michael Gelb will address our group. His topic will be:

"The ABCs of TMJ, Bruxism and OSA: Connecting the Dots in Clinical Practice"

Michael L. Gelb, D.D.S., M.S.

Clinical Professor, Department of Oral Medicine and Pathology, New York University College of Dentistry, Private Practice NYC and Westchester County, NY

At least fifty percent of every dental practice population has bruxism, obstructive sleep apnea (OSA), snoring and TMD. The relationship of centric relations, occlusion and posture will be explained, as well as dental sleep medicine. Diagnosis will be emphasized as well as a thorough discussion of oral appliances.

Upon successful completion of this course, attendees will:

- Understand breathing related sleep disorders and the role of the dentist
- Know the current definition of bruxism
- Understand the relationship of TMJ to sleep

Our meeting will be held at The Hyatt Regency Hotel, 575 Memorial Drive, Cambridge, MA 02139, 617-492-1234, at 6:30PM. Parking is available in the lot next to the hotel. A dinner will be served.

Our laboratory partner, Midwest Dental Arts will be present at the meeting to assist you.

Sincerely,

Elliot Kronstein DDS
